About AVANS:

AVANS is a 501 (c)3 nonprofit organization dedicated to educating those who serve veterans with neurological challenges. AVANS membership is required to attend the annual meeting, and membership is free through December 31, 2025 thanks to the generosity of our sponsors. There is no cost to attend this year's annual meeting in recognition of your efforts to serve veterans.

We hope your experience will encourage you to join AVANS in the future and attend our online and in-person educational opportunities. Please use this conference to enhance your skills, make meaningful connections, and celebrate the difference you make in our veterans' lives.
