**MEMBER
INFO**

*Membership in
AVANS is **FREE** through
March 31, 2026*

The Association of VA Neurology Services (AVANS) is a 501(c)3 nonprofit organization dedicated to educating and supporting healthcare professionals working with veterans in neurology care. AVANS was founded in 2023 and is now over 150 members strong.

Membership in AVANS is open to **all healthcare professionals serving veterans with neurologic conditions**. This includes neurologists, nurses, physician assistants, nurses, nurse practitioners, psychologists, social workers, pharmacists, administrators, and other clinicians in the VA healthcare system and beyond. Our funding comes from a combination of corporate partners, grants, and fundraising efforts.

Membership in AVANS includes:

- Online and in-person networking opportunities with peers working in neurology services and with veterans
- Access to free or very low-cost CE-eligible education
- Access to members-only education and networking events
- Participation in special interest groups designed to connect peers across the nation to share best practices
- Advocacy for veteran-centered healthcare initiatives
