

October 11, 2024

Dear AVANS Partners,

We invite you to participate as an exhibitor at our upcoming inaugural AVANS meeting on March 7-9, 2025 in Tampa Florida at the Westshore Grand Hotel. The event is open to multiple sponsors and the exhibit is separate from the program areas.

The Association of VA Neurology Services (AVANS) is a 501(c)3 organization providing education, professional development, and networking opportunities to professionals serving veterans with neurological care. AVANS members include neurologists, nurses, physician assistants, nurse practitioners, pharmacists, administrators, and other clinicians dedicated to providing neurological services in the VA healthcare system and beyond.

Membership is open to:

1. All who work in or support neurology services within the VA healthcare system and VA-partnering universities and clinics, and
2. All who work with veterans affected by neurological conditions.

AVANS was started by a group of VA-affiliated professionals who seek additional educational opportunities, networking platforms, and information regarding pharmaceutical solutions and treatments that is not available within the VA system. By working with a nonprofit organization, VA employees have access to a wider range of educational opportunities and best practices than within the Federal system without any violation of Federal employee behavioral guidelines. Professionals benefit from this broad perspective of medical and treatment practices.

Our program focuses on various treatment and management of neurologic diseases. This year our theme is "Whole Health in VA Neurology"

Below is the link to our exhibitor page on our website that provides information on our exhibit fees and marketing opportunities. Registration will open on November 4, 2024. Exhibit space is limited. Please visit the link below to register your company; you may make payment by check or credit card. <https://fs8.formsite.com/avaho/ms6tnwzj1/index> The Exhibitor Prospectus can be found here on our website: <https://www.vaneurology.org/copy-of-industry-partners>

Please feel free to contact me at 908-581-6110 with any questions. We look forward seeing you in Tampa!

Warm regards,

JoAnn Wahl
